\* Awarded by HealthGrades. HealthGrades conducts comprehensive studies of Hospital quality in over 4,900 hospitals in the United States each year.

\*\* Rated by the Office of Statewide Health Planning and Development using outcome data from 2003 and 2004 from bypass operations at 121 California hospitals.

At St. John's Regional Medical Center we are dedicated to our mission of healing and service to the community, our tradition for almost 100 years.
